

2025 Golden State Rebates Residential Water Heater Program Contractor Incentive Claim Form

Golden State Rebates is a statewide energy efficiency program serving water heaters, smart thermostats, and in-room AC distributors and contractors with resources for high-efficiency residential appliance replacements. Check with your distributors' territory manager or branch for a complete list of eligibility requirements. Program incentives are only available through a participating Golden State Rebates distributor. Please return the completed form to your Golden State Rebates Participating Distributor.

Program Notification, Terms and Conditions:

Program Notification for Customers By purchasing a Measure under the program, the purchaser of such Measure agrees to the following terms and conditions: The purchaser acknowledges that the program is being funded by California utility ratepayers and administered by the IOUs under the auspices of the CPUC. SDG&E and the CPUC have the right to verify the purchase and/or installation of the applicable Measure, which verification may include conducting inspections at the site where the applicable Measure is installed and/or requesting that purchaser provide any available information, books and records related to the purchase or installation of the applicable Measure. The Measure must be installed no later than three (3) months following the date-of-purchase and shall remain installed for at least five (5) years. The purchaser consents that any information related to the purchaser's participation in the program, purchase of the Measure or use of the Measure may be shared with SDG&E, any IOU and the CPUC. • A disclaimer of any responsibility of any IOU in connection with the selection, purchase, ownership and use of program Measures, and a release and indemnification of SDG&E and all IOUs from and against any claims, suits, proceedings, losses, liabilities, damages, costs, expenses, and fines arising from the purchase, ownership, installation, use, alteration, repair, replacement, or maintenance of any program Measure; and • The purchaser will not receive any discounts, incentives, or incentives from another governmental, utility, public agency, or IOU program funded in whole or in part by IOU Customers for the same program Measures.

The Golden State Rebates Program is funded by California utility customers under the auspices of the California Public Utilities Commission and implemented by CLEAResult under a contract awarded by San Diego Gas & Electric Company (SDG&E®). Customers who choose to participate in this program are not obligated to purchase any additional services offered by the contractor. The trademarks used herein are the property of their respective owners. This program is offered on a first-come, first-served basis and is effective until funding is expended, or the program is discontinued by the CPUC. Program may be modified or terminated without prior notice.

Questions:

Please contact your Distributor's Territory Manager.
